

## BC Family Hearing Resource Society Annual General Meeting 2010 Report

December 1, 2010

Another year has passed and we are happy to share the results from our annual general meeting held December 1, 2010 at the Centre. Dr. Noreen Simmons, Executive Director presented on the programs and services offered at our Organization and shared our vision to become a Centre of Excellence. Our financial position was presented by our auditors, D'Abadie Moody and our annual report and audited statements were approved by the membership. These documents are available on our website as well as by request.

Sally Hurst, Dr. Graham Bryce and Dr. Noreen Simmons

We took the opportunity to thank Sally Hurst, now our Past President, for her leadership and dedication for the past 3 years as President. We also thanked our retiring Board Members, Alison Anderson and Aman Loodu for their contributions. We welcomed Sarah-Anne Hrycenko to the Board and are excited to work with our newly elected President, Dr. Graham Bryce.

We are very grateful to our 228 families in the BCFHRC program and the over 400 families in our SESLP program for their dedication and collaborative work with our staff over the past year. Many of our families and their children attended the AGM. We had entertainment for the children during the meeting and concluded the meeting with a social time for everyone.

Our work would not be possible without government funding provided by the Ministry for Child and Family Development (MCFD) and the Provincial Health Services Association – BC Early Hearing Program. We have donors who provide incredible support towards the programs and services that are outside of the government's ability to fund. In particular, we acknowledge the Elks and Royal Purple Fund for Children, Elks and Royal Purple lodges, as well as individual donors. As part of our annual tradition, donors were highlighted in our 'light up the centre' campaign. Together, we build bright future for children.

If you have any questions or would like more information, please do not hesitate to contact the Centre.
