
2021 Walk for Bright Futures

We know it isn't always easy to approach friends or family and ask them to make a donation or contribute to a fundraising event. Talking about it can feel awkward and sometimes uncomfortable. What we do know however is that Canadians are some of the most generous people in the world! They are enthusiastic about giving to causes that are meaningful to them. Here are some ideas of how you can start the conversation about giving to BC Family Hearing Resource Society:

- We are receiving services from BC Family Hearing Resource Society for our child <name>. They have helped our child learn to..... Would you consider making a donation to support this organization that has helped our child?
- Our family is receiving services from BC Family Hearing Resource Society. Through our time with them our family has learned..... Would you consider supporting families like ours by making a donation to this organization?
- We are going to be participating in the Walk for Bright Futures which supports BC Family Hearing Resource Society. This event raises funds to support children like <your child's name>, who are deaf and hard-of-hearing, all over the province of BC. Would you consider making a donation to help families like ours?
- All over BC are families like ours – families with a child who is deaf or hard of hearing. We are making a donation to BC Family Hearing Resource Society to ensure that all of these families receive the support they need for their children to be successful. Would you consider joining us in making a donation to support this cause that is important to us?

Here is the link to donate: <https://bit.ly/3E3WeOb>

Thank you for your support!
