

# BOUNCY BABIES GROUP

## A group for d/Deaf and hard of hearing children aged 0-18 months and their parents

Bouncy Babies gives parents a support group as they move into early intervention services with their infant. Parents connect with one another and learn through topic-based discussions. Enjoying songs, rhymes, and books with the group also helps parents learn communication skills and strategies they can take home.

Bouncy Babies is hosted in-person at our Surrey Centre. An online option offers a modified format for those who cannot join us in-person.

*Please note:*

-This group is open to families enrolled for services at BCFHRS

-We will need at least 4 families attending in person for the group to run
