

WESTHILLS PLAY IN THE PARK

Come and meet other deaf and hard of hearing children and their families for a fun play at the park. Practice communication strategies, and social skills while connecting with the greater deaf and hard of hearing community.

If you've been wanting to try a partner mic with your child's hearing equipment this is also a great opportunity to practice at the park. Bring your child's hearing equipment and user manual if you're hoping to trial a mic on the playground!
