

BC FAMILY HEARING
RESOURCE SOCIETY

BEACON HILL PARK

Please join us for our annual event at Beacon Hill Park. You will find us at the duck pond across from the Petting Zoo come rain or shine so come prepared for the weather, whether that's blankets, and sunscreen or warmer and/or waterproof clothing! Grandparents & siblings are welcomed to join.

We will have duck seed for those who would like to feed the ducks. Then we will head over to the playground for play, socializing & bubble blowing (we will supply the bubbles).

Light snacks (juice packs and individual packaged snack of some type, e.g.: goldfish) will be provided.

Please let us know if your child has any food allergies.

An ASL interpreter will be on site. Spoken language interpretation available upon request.
